ROAD CLOSURE NOTICE

The City of Lindstrom has hired Gustafson Excavating to replace some existing storm sewer facilities in your neighborhood. The work will take place between 30965 & 30985 Irene Avenue (see location plan on the reverse side of this notice). Irene Avenue will be closed to thru traffic at this location for two to three days beginning at **7:00 am on Wednesday May 24th** (weather permitting) to allow the contractor to perform the underground utility replacement work.

After the underground utility work is complete, the road will reopen to local traffic, but a portion of the road (approximately 30 feet) will remain gravel while the contractor coordinates curb replacement and pavement patching. The contractor will be installing barricades and road closure signage at 3rd Avenue and Peninsula Avenue to alert drivers of the road closure. Please use caution when driving through the construction zone.

We apologize in advance for any inconvenience. If you have any questions or concerns, please contact our City Engineer, Jon Herdegen, directly at 612-548-3124 | jherdegen@msa-ps.com. Thank you for your patience while we complete this important project.
