

# Tree Sponsorship Form: North Meadow Park

The Chisago Lakes Rotary is going to donate and plant 2 shade trees in North Meadow Park near the benches and playground area. These shade trees would not interfere with the ballfield, and will be a wonderful addition for residents and park goers to enjoy.

In return for their donation, the Chisago Lakes Rotary is requesting that residents of the North Meadow neighborhood, or anyone who uses the park, help to sponsor a third (or even a fourth!) tree. The cost of a tree that would work well in this park ranges from \$250-\$450, depending upon species, for a trunk diameter of 1.5" or greater.

The Chisago Lakes Rotary will be planting these trees on Earth Day, April 22, 2023 (weather depending). **This does not leave us much time to collect donations.**

**100% of your sponsorship goes towards the purchase of a shade tree for North Meadow Park**
