## Benefits To Letting Your Garden Sleep In

We had quite the tease of Spring last month, which prompted many people to start their spring yard work early.

However, there are a lot of pollinators and other insects that depend on leaves, sticks, and other natural debris for survival until they become active again in the spring.

### First Flight

Butterflies may be nesting in leaf piles, and can't fly very well

until temperatures are consistently in the 60's. Butterflies may tolerate being moved, but likely will not survive being buried in a large compost pile. If possible, move leaf piles to a corner of your yard until they are given a chance to emerge.

### Let It Bee

Many bees make their winter nests in the ground and in piles of leaves. Avoid disturbing hibernating bees by

holding off on yard work until it is consistently above 50 degrees.

Did you know that some bees nest in stems?

If stems are inhabited with bees, they will likely be broken and plugged with vegetation or mud. Help these bees by either leaving stems alone, or by carefully place stems in a corner of your yard until later in the season.

In late March I met with Sarah Goodman, owner of Karma Beauty Room. She opened for business in downtown Lindström in early March, and has hit the ground running.

The newly remodeled space has a rich blend of both modern and natural wood design elements. The neutral, high-contrast color palette, metallic accents and abundance of natural light creates a cozy-luxe vibe.

When I asked her what makes her company unique, she pointed to their mission statement:

“At Karma Beauty Room we want to create and instill confidence in all of our guests through enhancing their natural beauty. We are constantly looking for new classes to bring you the best and most up to date services.” This mission is evident in the salon’s workplace culture, as the stylists are continually seeking new and exciting continuing education opportunities.

Current services include hair cuts, color, and extensions, lash extensions, waxing, and bridal hair and makeup. Plans are in the works to expand the

service menu in the near future. A variety of name-brand salon products are also offered.

A focus on beauty, both inside and out, is reflected in her business name. “Karma Beauty Room” spoke to her desire to promote good karma throughout the community.

Sarah chose Lindström because she liked the feel of the community, the warm and welcoming people, and that the downtown was a defined area.

Sarah was beaming with excitement for our community, and I can’t wait to see what the future brings for her and her new business. *Välkommen till Lindström (Welcome to Lindström), Karma Beauty Room!*

## Walpurgis Night (Valborg)

On April 30th, Swedes celebrate Walpurgis, Valborg (short for Valborgsmässoafton), or 'the last of April'. Traditionally believed to ward off evil spirits, it is now celebrated as a festive way to welcome spring. The celebration is simple: Swedes get together for a bonfire, and often grill food, sing songs or listen to speeches. Click [HERE](#) for a video about this Swedish holiday, and [HERE](#) to read more.

## About the Karl Oskar House: 29101 Glader Blvd., Lindström

Swedish novelist Vilhelm Moberg visited the Chisago Lakes area in 1948 and subsequently wrote his acclaimed series (The Emigrants, Unto a Good Land, The Settlers, and Last Letter Home).

Moberg’s fictional characters Karl Oskar and Kristina Nilsson were based on his research of real life Swedish settlers in the Chisago Lakes area. The Karl Oskar House was Karl Oskar and Kristina Nilsson’s third home in the novel series. The name of the house, Nya Duvemåla, is a reference to Kristina’s fictional Swedish home.

## ***Karl Oskar Days Sponsorship Letter***

*Karl Oskar Days, City of Lindström, 13292 Sylvan Ave. Lindström, MN 55045*

Dear 2024 KOD sponsor,

We're very impressed with the support from our local businesses. For years, you've been supporting the community by contributing to charity, volunteering your time, and generally being a positive force in the world. 91% of small businesses believe that businesses should give back to their local communities, according to US Chamber of Commerce. For Karl Oskar Days, we're doing everything in our power to provide a fun and safe celebration of our Swedish heritage to all community members and visitors.

We have a mutual interest in a successful summer festival. Karl Oskar Days brings thousands of people to our small community. These people enjoy supporting your businesses while participating in our celebration. Participants, locals, and visitors also see your store fronts, business names, and what you all have to offer them for the entire year. It is my pleasure to reach out to you about a sponsorship opportunity that would be a good fit for your business.

We couldn't do the work we do for Karl Oskar Days without the help of generous people like you. That's why I'm reaching out to you today. We're looking for sponsors to support our event—and we have plenty of ways for you to be involved:

- A monetary donation to help pay for items so that the festivities can be free or at a very low cost to participants and the families that enjoy the events.
- We can always use volunteers for our events. Our biggest needs are for the parade, street dance, Loppet 5K, vendor fair, and set up.
- Product or gift card contributions are perfect for various games, gifts, and contests. It is another way to get your business name into the hands of many.
- And if you have other ideas for helping our cause, we'd love to hear them!

### ***Help us bring more in '24!***

**Donations appreciated by June 1<sup>st</sup>.**

We hope we can count on your support to help bring fun and joy to the many people living in the Lindström area as well as new visitors to Chisago Lakes. It would be great to feature your business as a partner in the celebration! I'm always happy to chat regarding your sponsorship, donations, and ideas for contributing. You may reach me at [phinsch@cityoflindstrom.us](mailto:phinsch@cityoflindstrom.us) or 651-257-7648 (office) ~ 651-271-7628 (cell).

I look forward to hearing from you soon. Thank you in advance!

## Spring Notices & Reminders

### Winter Parking Restrictions End April 15th

- From November 1st to April 15th there is **NO PARKING** allowed on city streets between the hours of 2:00 am and 6:00 am or during snow events. This allows our crew to be able to plow in front of your house without having to plow around your vehicles.
- **During a snow event**, please avoid parking on city streets until the plows have cleared the road.
- If you live in downtown and use the city-owned Park Street Parking Lot for parking, you will need to obtain a winter parking pass. Please contact the [Lakes Area Police Department](#) for more information using their non-emergency number 651-257-0622 or stop in at [City Hall](#).

### Street Sweeping

- Spring street sweeping generally occurs in May, although if weather permits it could start in late April. Sign up for [email notifications](#) or follow us on [Facebook](#) for specific dates.
- The street sweeper moves very slow, so please keep a safe distance.

- Spring hydrant flushing begins in May. You may experience low water pressure, which should resume to normal pressure shortly after the process is finished.
- “Spitting” or slight water discoloration can occur. If you experience this, let your water run for a short period of time to clear the pipes within your home.

The City of Lindström prohibits planting of trees or other vegetation in the boulevard (road right-of-way). ## Storm Drain Care

- Residents are urged not to blow leaves, grass, dirt, or other debris into the streets. This material can wash into the catch-basins and storm drains, causing them to become clogged and not function properly.

*Thanks for being a good steward of our lakes!*
