### 1st Quarter Utility Bills Due Aug. 1st

To view or pay your utility bill, click on "Online Utility Payments" on our [website](#). You can also download the "PSN Payments" from the [App Store®](#) or [Google Play™](#).

For PSN phone payments, call 1-877-885-7968. Have your bill handy to provide your customer account number. On the first call you will register. Future calls are just four steps.

We can also set-up your utility bill account to automatically withdraw your payment from your checking or savings account on the due date.

Credit/debit cards, checks and cash are accepted in person at City Hall, or call City Hall to pay with a debit/credit card.

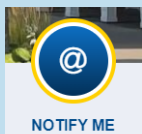

Checks are accepted by mail or in the drop box located at City Hall.

For questions about your utility bill, please contact Krista at 651-257-0621 or [klord@cityoflindstrom.us](mailto:klord@cityoflindstrom.us)

## Rusty Johnson Receives Prestigious Award

On June 21st at Harmony in the Park, the [Chisago Lakes Lions](#) presented our Park Board Chair and Harmony in the Park Coordinator, Rusty Johnson, with their Melvin Jones Humanitarian Award.

This is the foundation's highest honor and represents humanitarian qualities such as generosity, compassion, and concern for the less fortunate. Rusty's exemplary service to our community includes his passion

for our parks and park programs, decades of leadership in local Boy Scout Troop #159, a variety of other

volunteering efforts, and always putting people first.

**Congratulations, Rusty! Your contributions to this community are incredible!!**

If you haven't had the pleasure of meeting Rusty, say hi the next time you're at [Harmony in the Park](#), at the Area Compost Site (he's a Compost Site Attendant), or if you see him around town. We are lucky to have Rusty as a Lindström resident!

## Meet Lindström's New City Administrator

In [December of 2022](#), Lindström's City Administrator resigned, and in [January of 2023](#), the City Council appointed Deputy Clerk/Office Manager Melissa (Missy) Glenna as the Interim City Administrator.

The City has been assisted in the recruitment of a new City Administrator by GovHR USA, an executive recruitment and management consulting firm that specializes in local government. 26 candidates applied for the position. The City Council met on May 9th to narrow the pool to a [final list of 4 candidates](#). These candidates were then interviewed by the City Council, City Staff, and a panel of residents. The City Council

held a special meeting in late May to discuss and determine the next City Administrator. Members voted unanimously to extend an offer to Daniel (Dan) Udem.

We are pleased to announce that Udem has accepted the City's offer, which was made official at a special City Council meeting on June 5th.

Daniel Udem currently serves as the Assistant City Administrator for Forest Lake and brings over twenty years of public and private sector experience. Udem has a Master's degree in business administration from St. Mary's University, Minnesota and Bachelor of Arts in English from the University of Minnesota, Duluth.

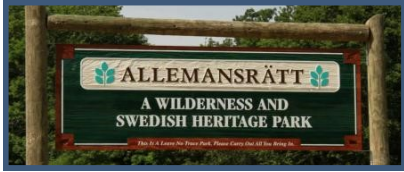

Udem will be starting with the City of Lindström on July 6th, just in time for Karl Oskar Days. **Welcome (välkommen), Dan!**

# Lindström's Allemansrätt Park: A Local Gem

Did you know that we have a wilderness and Swedish heritage park right here in Lindström? It's called [Allemansrätt Park](#), and is a must-visit place for visitors and residents alike.

The term 'Allemansrätt' is a [Swedish philosophy of the right of public access](#), and includes an implicit responsibility to protect and conserve. Literally, 'Allemansrätt' means "every man's right" and is written into the Swedish Constitution. It gives everyone in Sweden access to certain public or privately owned land, lakes, and rivers to walk, cycle, ski, camp (for one or two

nights), to pick wildflowers, mushrooms and berries.

Allemansrätt Park is 125-acres. The park includes a 14-acre secluded lake, eskers, ephemeral wetlands, a 5-acre island, a 33-acre peninsula and an 1853 homestead. The park remains virtually undeveloped but provides trails, benches, restrooms, parking lots and two campsites. Visit our 1890's historical house kiosk and read the astonishing history of this land.

In the spirit of Swedish Allemansrätt, we welcome you to walk, ski, snowshoe, run, canoe/kayak or camp (in designated spots). You might also find berries,

asparagus and mushrooms to harvest in season.

Allemansrätt has several miles of trails and includes the City of Lindström's "Lake Pavilion" located on the private Bull Lake. Allemansrätt is a "Carry in, Carry out" Park.

The [Chisago Lakes Water Trail](#) follows the shoreline of the park's Anderson Peninsula. You can then portage to the park's secluded Bull Lake, or follow the north channel to access Bull Lake.

### Please respect this park by:

- Packing out your trash
- Leashing and picking up after your pet
- Not using motorized vehicles
- Being considerate of other visitors
- Respecting wildlife
- Leaving what you find

For the Allemansrätt Park map and brochure, click [HERE](#).

**Jordgubbstårta (yourd-gubbs-tourta): Strawberry Cake** A Swedish summer favorite treat that is popular both for the June [Midsommar](#) (Midsummer) celebration and for [fika](#), the daily Swedish tradition of a having coffee, treats and conversation with friends and colleagues. This classic recipe is easy to make, and is essentially a sponge cake filled with vanilla cream, strawberry jam, and topped with whipped cream and fresh strawberries. For an authentic Swedish recipe, click [HERE](#). To share this recipe on Facebook, click [HERE](#).

# City Projects & Development Updates

**Albrecht Development at North Lindstrom Lake:** The developer presented a new concept plan to solicit feedback from the Planning Commission and the City Council at their May meetings. We await next steps from the developer.

**Elms Estates:** All of the units have been removed, and the owner is actively marketing the property. The property is privately owned (not city-owned).

**Golf Estates:** Construction in this development continues.

**Hydration Station:** We have received a SHIP grant to install a hydration station at the southwest corner of 292nd Street and Olinda Trail, along the Olinda Trail Multi-Use Trail. Site prep has begun. The hydration station is on backorder and is scheduled to arrive in mid-July.

**Irene Avenue, Irene Court, & Peninsula Avenue Street Improvements Project:** Curb replacement work will begin the week of July 10th. Pavement removal and grading is tentatively scheduled to begin July 19th, and paving is tentatively scheduled to begin July 24th. The schedule is subject to change. Through traffic through the construction area may be prohibited during various stages of the project. **For updates and the site map visit our website: [www.cityoflindstrom.us/public-works/pages/current-city-projects](http://www.cityoflindstrom.us/public-works/pages/current-city-projects)**

**Lindstrom Fire Hall:** Permanent electric is installed, and landscaping is completed. Items that are being addressed prior to occupancy are: miscellaneous punchlist items and the transition from the concrete driveway to Akerson Street so that the fire trucks can exit the building without damaging the trucks. Occupancy is anticipated for mid to late summer of this year.

**Lakes Area Police Hall:** This project did not make it on the most recent bonding bill.

**Meredees/Peninsula:** The developer failed to meet the deadline to file the final plat. This property is privately owned (not city-owned).

**Morning Sun Phase 4:** The City continues to receive building permits.

**Neal Avenue Street Improvements Project:** Council approved for Staff to move forward with construction plans for this project, which will be reviewed by Council at a future meeting before implementing the project. More information to come. **Updates will be posted to our website when we have established an anticipated start date: [www.cityoflindstrom.us/public-works/pages/current-city-projects](http://www.cityoflindstrom.us/public-works/pages/current-city-projects)**

**Newlander/Elm Street Reconstruction:** Minor punchlist items remain. The project is nearly complete.

**O'Jay Juice Factory: DEED** awarded the City \$200,000 in Redevelopment Grant funds at the end of 2022. Both the City Council and EDA have held a series of closed meetings and/or work sessions to discuss the property, which included private data such as negotiations and the property appraisal. Negotiations are in progress.

**Park Street Parking Lot & Utility Undergrounding:** The survey and concept plan are complete. This project was discussed at the April 4, 2023 City Council Work Session. Council and Staff have been meeting with stakeholders individually and a meeting with all stakeholders will be held at a later date.

**Swedish Immigrant Regional Trail, Newell to Highway 8:** The Park Commission has agreed to a trail alignment option that runs along the north side of Highway 8. More information to come.

**Twin Oaks/Lyman Court Phase Two:** The final pavement lift in the street and the trail pavement will be placed in the next couple months.

**Veteran's Housing (Tingsryd Gardens):** At the March City Council meeting, Council approved Resolution 20230316-01 granting the developer's request to extend the deadline for recording of the final plat to March 17, 2024.

**Stay Informed:** Sign up to receive City news, including public notices for City Council Work Sessions, public hearings, meeting date changes, cancelled meetings, public hearings, via email: [www.cityoflindstrom.us/subscribe](http://www.cityoflindstrom.us/subscribe)

## Karl Oskar House Tours

Sundays, Mid-May - Late September  
1pm - 4pm

### 29101 Glader Blvd., Lindström

Swedish novelist Vilhelm Moberg visited the Chisago Lakes area in 1948 and subsequently wrote his acclaimed series (The Emigrants, Unto a Good Land, The Settlers, and Last Letter Home.

Moberg's fictional characters Karl Oskar and Kristina Nilsson were based on his research of real life Swedish settlers in the Chisago Lakes area. The Karl Oskar House was Karl Oskar and Kristina Nilsson's third home in the novel series. The name of the house, Nya Duvemåla, is a reference to Kristina's fictional Swedish home.

## Summer Notices & Reminders

### Periodic Street Sweeping & Fire Hydrant Flushing

Occasional street sweeping & hydrant flushing may be needed throughout the summer.

- The street sweeper moves very slow, so please keep a safe distance. If possible, avoid on-street parking while street sweeping is in progress, as this allows the sweeper to do a more thorough job.
- Hydrant flushing can cause temporary low water pressure, which should resume to normal pressure shortly after the process is finished. “Spitting” or slight water discoloration can occur. If you experience this, let your water run for a short period of time to clear the pipes within your home.

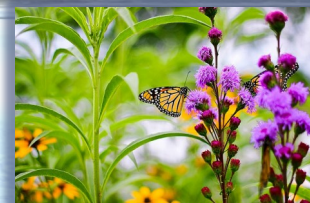

### Weed Elimination & Grass Cutting

Weeds and grasses are not allowed to exceed a height of **8 inches**. Any expenses incurred by the City when performing enforcement and/or cutting will be imposed on the Property Owner.

**Noxious weeds and rank vegetation** (click for definition) are considered a nuisance according to **City Code**. Property Owners shall prevent the growth of noxious weeds and remove all noxious weeds on land outside of the traveled portion of any Street or Alley within City Limits. If said weeds are not destroyed by the Property Owner, the City may remove them at the Property Owner's expense.

The term “weeds” does **NOT** include shrubs, trees, cultivated plants or crops. **Prairies**, as well as **butterfly & pollinator gardens** are considered cultivated plants **if** the vegetation is **not listed** in the definition of “**noxious weeds and rank vegetation**”, **AND** are planted in a **cultivated manner**.

## Recreational Fires

[See Ordinances 93.60-93.70](#)

Recreational fires are only permitted if they meet the following conditions:

- Fires must be small- no more than 3 feet in height and diameter.
- A non-combustible fire ring shall completely surround the fire area, and must be depressed below the ground. Materials such as cement, brick, blocks, etc. are recommended materials.
- Fires may not be located closer than 25 feet from any structure.
- Additional conditions apply. See [Ordinances](#) for more info.

All other fires require an Open Burning Permit. Recreational fires or [open burning](#) will not be allowed when the City of Lindström, the [Minnesota Pollution Control Agency](#), or the [MN Department of Natural Resources](#) has officially declared a burning ban due to potentially hazardous fire conditions or air quality alerts. If you have questions regarding fires or burning, or questions on how to obtain an Open Burning Permit, please call the [Lindström Fire Department](#) Fire Chief, Scott Sellman, at 651-248-7421 or email him at [ssellman@cityoflindstrom.us](mailto:ssellman@cityoflindstrom.us)

## Noise Ordinances

Noise from electronics, instruments, operation of equipment, gathering of people, etc. is not allowed between the hours of 10pm and 7am within the City Limits. Curfews and Park hours are also enforced. (Ordinances [93.18](#), [130.02](#), [94.02](#))

***Thanks for being a good neighbor!***

## Landscaping Water Conservation Tips

- Select hardy plants and grasses that don't need as much water. Try native plants, and mulch plants heavily.
- Fertilizers increase water consumption. Apply the minimum amount needed.
- Plant trees strategically in your yard to help shade your home and yard. This will help to reduce energy use in your home and reduces water needs in your yard.
- Catch rain from your roof with a rain barrel and use this water for your plants and garden.
- Put 3 to 4 inches of mulch around trees and shrubs to help retain moisture and keep the ground cool.
- Place "thirstier" plants near the house where they can receive moisture from roof runoff.
- Letting your grass grow higher in dry weather saves water and helps to prevent your lawn from "burning". Taller grass shades the roots and holds soil moisture better than short grass. Ordinances limit length to 8".
- Use drip irrigation systems, timers, and rain sensors.
- Aerate your lawn periodically. Holes every 6" will allow water to reach the roots rather than run off the surface.
- Recycle your grass clippings into your lawn by using a mulching mower. You'll not only conserve water, but you'll also save time while mowing.
- Water your lawn early in the morning to prevent water loss from evaporation. Watering once or twice a week encourages deeper roots.

## Right-of-Way Planting

The City of Lindström prohibits planting of trees or other vegetation in the boulevard (road right-of-way). Trees and other vegetation may be planted and maintained in drainage and utility easements without a permit from the city at the risk of the property owner and provided that the trees or vegetation do not interfere with access to or use of the easement. ([Ordinance 90.23](#))

## Storm Drain Care

- Residents are urged not to blow leaves, grass, dirt, or other debris into the streets. This material can wash into the catch-basins and storm drains, causing them to become clogged and not function properly.
- This debris can also end up in our lakes, which results in excessive algae growth. To learn more about lake preservation, water quality and more, visit the [Chisago County Lake Improvement District \(CL LID\)](#) website.

***Thanks for being a good steward of our lakes!***

## Lakes Area Compost Site

Weather permitting, the Lakes Area Compost Site is open from mid-April through the Saturday before Thanksgiving. Operating hours are Wednesdays 2pm - 7pm (or dusk), Saturdays 9am - 4pm, and Sundays 1pm - 4pm. The site may temporarily close during inclement weather.

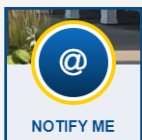

- **Allowed:** Grass clippings, leaves, and brush up to 3" in diameter
- **NOT Allowed:** Dimensional lumber, tires, appliances or household trash
- If available, wood chips, compost and black dirt are available for non-commercial use (for free!)
- No commercial businesses are allowed to haul to or from the site.

Please visit the our [Compost Site](#) website for exact season dates, regulations, resident and non-resident details, and directions.
